

What's drawrCF?

desc. of drawrCF: it is an event that you brainstorm your idea and paint/draw the idea with using drawr in a limited time. enjoy the restless/chaos feeling to draw a lot of things in one drawing within a short time (usually 60min) XD develop your fast brainstorm idea skill!

Rules:

- the time you can spend on the drawing will be strictly limited to 30 minutes/60minutes.
- all participants need to start and end at the same time.
- all the objects to draw will be announced here at drawrCFwiki to participants when the event starts.
- the objects will be provided in advance by the people who are going to participate the event.
- you need to draw **AS MUCH objects as you can** in one drawing
- you can ONLY use drawr to paint/draw.
- send message (a object you want participants to draw) to [here](#) by 15minutes before the event starts.
- you will be eligible to join the event even if you did not submit the object.

When?

there will be an announcement either at [drawr](#) or here at wiki beforehand (normally 3 days before or more).

Where?

!!This rule is not the one of 11/02CF!!

there will be 3 entries for this event.
the three entries' drawr ID will be announced at drawr/here beforehand.

entry01 will be for those who have pixiv ID number end with an odd number.
entry02 will be for those who have pixiv ID number end with an even number.
entry03 will be for those who have no pixiv ID but drawr ID.

Ex: if your pixiv ID was 12345, your id ends with number 5, an odd number,
you will be drawing your pic as adding comment to entry01.
if your pixiv ID was 23456, your id ends with number 6 which is an even number,
you will be drawing your pic as adding a comment to entry02.
